IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

asses Orders constituting a Committee for the Improvement and Development of Malnad.

R. G29—45-46, dated the 1st October 1945, from the for Economic Development and Planning on the subject of ent of a malnad.

No. S. 2472-551—E. C. 21-45-1, DATED BANGALORE, THE 21ST DECEMBER 1945.

uestion of the improvement of the economic and itions the malnad parts in the State has come up for cussion in the Legislative Council and the tive Assembly and suggestions have been made mittee may be appointed to examine the problem suitable measures for improvement.

overnment have always attached great importance ovement of the malnad and have taken steps on ions in the past to investigate the causes for the ss of the tracts and have also undertaken various improvement. A scheme of malnad improvement in 1918 on the recommendations made by Mr. K. who had been specially appointed for the purpose. of the scheme was reviewed in 1924 and lines of require concentrated attention were indicated. Haviland was appointed in 1925 to conduct an survey of typical areas in the malnad tracts. A der the chairmanship of the late Mr. K. Chandy findings of that survey and suggested the and mortgage banks, introduction of record of ant legislation for relief of indebtedness, more sinking water wells, dispensaries and extensive distribution of quinine. Government implemented many of the recommendations. In Malnad Economic Depression Committee was examine how the raiyats of the malnad had been depression and necessary relief was afforded on ation of the committee. An economic survey in the malnad was conducted in connection

3. Owing to unfavourable factors such as the prevalence of malaria, the full benefit of the natural resources of the malnad parts is not being derived and it has been noticed that the population in some of the malnad tracts is tending to decline. Government consider that this tendency should be arrested and further steps taken to improve the standard of living and the health of the people inhabiting the malnad.

4. The plans for the economic development of Mysore which are under scrutiny by the Economic Conference include measures for the improvement of the malnad also. Government consider that it would be advantageous to have a separate regional plan for the development of the malnad and are accordingly pleased to direct that a committee consisting of certain heads of departments, with powers to co-opt officials and non-official gentlemen with intimate knowledge and experience of the conditions of the malnad, be constituted to suggest a plan of development and indicate the steps to be taken for putting the plan into execution with all practicable expedition.

5. The committee, the personnel of which will be notified separately, will be requested to submit its report to Government within a period of three months.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

DEVELOPMENT SECRETARIAT

Publishes for general information the general policy of Government, regarding the grant of concessions and facilities for the establishment of Industries in the State.

ORDER NO. D. 4856-925—I & C. 272-45-1, DATED BANGALORE, THE 29TH DECEMBER 1945.

A number of applications are being received by Government from Company promoters and others for the grant of

concessions and facilities for the establishment of industries of all kinds. These applications are usually of too general a character to be speedily dealt with. It may, therefore, conduce to speedy disposal of such applications, if the general policy of Government in this respect were laid down, each case, however, being dealt with on its merits.

The concessions usually asked for are in respect of (1) the grant of land, (2) the supply of water, (3) the supply of electric power, (4) the provision of railway siding and the grant of freight concessions, (5) the grant of priorities for obtaining controlled materials, (6) the purchase of products by Government, (7) the grant of monopoly of manufacture, and (8) the purchase of shares by Government. The general policy of Government in regard to these matters is as follows:—

(1) *Land.*—Factories in Bangalore City are generally to be located in the Industrial Suburb. Applications for sites in this area are to be made to the President, City Improvement Trust Board, Bangalore City. Elsewhere, if the land applied for is Government land and it is not required for any public purpose, it may be given at an upset price. If it is private land, Government may acquire it under the provisions of the Land Acquisition Act, if they consider such a course necessary. The payment of the "fine" ordinarily leviable on agricultural land used for non-agricultural purposes can be waived only in specially deserving cases.

(2) *Water.*—In the case of the filtered water-supply of Bangalore or Mysore Cities, the applicant may first approach the Executive Engineer of the respective Water Supply Division In other cases, the Deputy Commissioner of the district concerned may be approached with full details of the supply required in order to see whether it would be available or not for the purpose in question.

(3) *Electric Power.*—The Chief Electrical Engineer may be approached with details of the extent of power required, the purpose for which, and the locality in which, it is required. If the power is available, it will be given at the scheduled rates.

(4) *Railway Siding and Freight Concessions.*—The General Manager, Mysore State Railways, may be approached in the first instance with the necessary details.

(5) *Priorities.*—Applications for the grant of priority for the purchase of building materials, such as, iron or steel, cement and timber, may be made, respectively, to the Iron and Steel Controller, Mysore Iron and Steel Works, Bhadravati, the Controller of Civil Supplies, Bangalore, or the Chief Conservator of Forests, Bangalore. In other cases, the Controller of Civil Supplies may be approached. When priorities have to be obtained from the Government of India, reasonable assistance will be given therefor.

(6) *Purchase of Products by Government.*—No specific undertaking can be given in this regard, but under the rules of the Stores Purchase Committee preference is given to local products, provided quality and prices are competitive.

(7) *Monopoly of Manufacture.*—No guarantee can generally be given to any prospective industry that manufacturers of a similar nature will not be permitted in the State. In special cases, however, where it appears to Government that such a course would be justified in the interests of the industry or the State, they would be prepared to give an assurance that State aid will not be extended for a specified period to any competing concern that may be sought to be established in the State as a whole or in a particular area.

(8) *Purchase of Shares by Government.*—Wherever Government may consider it necessary to do so in the interests of the industry, they may participate in the share capital of the proposed company to the extent necessary, provided there is no managing agency and Government have a controlling voice on the directorate and in the appointment of the Chairman, Managing Director and General Manager.

Applications for the issue of capital will have to be made to the Secretary, Capital Issues Committee, Public Offices, Bangalore.

FINANCIAL SECRETARIAT

Prescribes the Budget Calendar for 1946-47

2. Preparation of above Appendices by Comptroller (the Railway and the Electrical Departments' Appendices to be prepared by the Chief Auditor, Mysore State Railway, the Auditor, Electrical Department, and the Auditor, Jog Power Scheme) and their transmission to Departmental Officers. The Appendices relating to the Food Supply Department will be prepared by the Auditor and Accounting Officer, Food Supply Department.

5th February to 19th February 1946.

3. Return of above Appendices by Departmental Officers to Comptroller with remarks regarding changes, if any, required according to standing sanctions, a copy thereof being sent to the Secretary to Government in the Administrative Department concerned. *Proposals relating to schemes of new expenditure should not be included in the statement of alterations sent with the Comptroller's estimates. A separate statement (vide* form at the end of page 4) *in the prescribed forms supplied by the Comptroller should however be prepared in triplicate simultaneously and one copy forwarded to Government, in the Administrative Department for consideration a copy being sent to the Finance Department and one copy sent to Comptroller for information.*

NOTE.—In the case of the Railway and the Electrical Departments, the General Manager, the Chief Electrical Engineer, and the General Superintendent, Jog Power Scheme, have to return the Appendices with a statement of alterations, required on the basis of standing sanctions to the Auditors concerned, who, in turn, have to send them to the Comptroller with their remarks. Similar procedure has to be adopted by the Director of Food Supplies also. In regard to proposals relating to schemes of new expenditure, the procedure mentioned above will be followed by these departments also.

NOTE 2.—*The term 'Schemes of new expenditure' should be interpreted as schemes whether approved by Government or not to which effect has not been given and for which funds are required to be provided.*

9th February to 23rd February 1946.

4. Submission of above Appendices to Government by Comptroller with notes indicating points, if any, for orders.

NOTE.—The above Appendices relating to the Education Department, inclusive of the Elementary Education Funds, will be submitted after verification by the Audit Branch.

14th February to 28th February 1946.

5. Communication to Comptroller by Government of orders on points referred to under item No. 4 and on *the proposals of the departments relating to schemes of new expenditure.*

By 9th March 1946.

6. Submission by Departmental Officers to Comptroller and to *Administrative Departments of Government* of detailed estimates under all Heads of Revenue with reference to eight months' actuals with Statements of D. C. B. in Form—Appendix A, in the case of Land Revenue, Excise and Income-tax.

NOTE.—The estimates of gross revenue under the following heads will be dealt with at this stage :—
